**Eura Mobil
Sealed Structure**

All-inclusive

Quality and progress are hugely important at Eura Mobil. Whether it be the generous storage space, protection from the weather thanks to the GRP chassis, stability during winter and comfortable under-floor heating thanks to heated double floors, insurance benefits or generous warranties – we've thought of everything you could need to make your holiday worry-free.

Sealed Structure

The Eura Mobil principle of seal-vouched quality: a fully protected structure is built from a fully bonded, seamlessly sealed chassis with corrosion-resistant materials in the floor plate, walls and roof.

Withstands winter

To make the feel-good experience on trips and holiday independence perfect, all Eura Mobil motorhomes offer winter-proof on-board technology that is installed in a space-saving manner in the end-to-end double floor construction.

Lightweight construction

The lightweight architecture makes Eura Mobil motorhomes the especially lightweight representatives of their class. GRP components offer the best long-term quality at a particularly low weight.

Furniture construction

Did you know? The furniture of a large A-class model alone comprises almost 1,000 parts. This complex task calls for the furniture of our motorhomes to be designed using state-of-the-art CAD workstations.

Double floor

To offer you every kind of freedom, all Eura Mobil motorhomes are suitable for use all year round and specially equipped for the "great escape".

Sleeping comfort

The comfortable beds and mattresses in your Eura Mobil are the product of our careful development work and your personal choice.

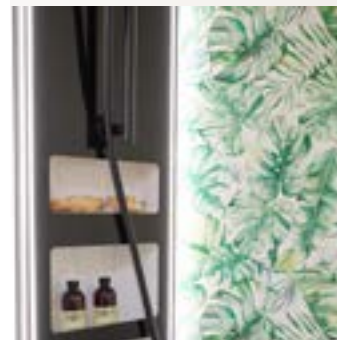

Kitchens

With the exclusive kitchens from Eura Mobil, you can also free yourself from the rigours of set mealtimes: Why not have breakfast on the beach again, or perhaps enjoy lunch in the mountains ...

Wellness

When days are full of adventure, new discoveries and new experiences, evenings are ideal for retreating into an oasis of calm in your motorhome. For relaxation and recuperation, for refreshment and enjoy-
