

2026 Motorhome Range

Inspiring travel since 1964

WELCOME TO ELDDIS Driven by Heritage, Designed for the Future

As Elddis celebrates over 60 years of innovative British craftsmanship, our spirit of adventure continues to inspire motorhomers across the UK and beyond. It all began in the early 1960s, when Siddle Cook—alongside his wife Mary and son Raymond—set out to revolutionise the touring experience. From their workshop in Consett, County Durham, they launched two original models: the Whirlwind and the Tornado. Elddis (Siddle’s name in reverse) quickly became a trusted name, known for combining quality, functionality, and family values.

Among those original models, the Whirlwind stood out. Beloved by families and first-time adventurers alike, it was known for delivering everything you needed, with no fuss and no compromise. Now, six decades later, Whirlwind returns — reborn as the cornerstone of our motorhome line-up. Reimagined for modern touring, the new Whirlwind GT range proudly carries forward the same principles that made the original a household name: simplicity, smart design, and unbeatable value. Every Elddis motorhome is still proudly built in County Durham. As part of the Erwin Hymer Group — and the global leader THOR Industries Inc. — we bring you cutting-edge design backed by decades of trusted British craftsmanship.

For 2026, our motorhome range has evolved to reflect the needs of modern explorers, offering something for every lifestyle and budget. From smart, affordable getaways to indulgent road-trip luxury, there’s an Elddis motorhome ready for your next journey.

This year’s lineup:

- Whirlwind GT** – Exceptional everyday value, built for simplicity and ease
- Whirlwind GT Evolve** – Enhanced comfort and spec for next-level touring
- Autoquest Apex** – Premium styling and features, where luxury meets practicality
- Avalon** – Ultimate refinement, spacious design, and premium technology
- Avalon Evolve** – The flagship experience, elevated to new heights

Every model is built using our cutting-edge ZIP System and HaloTEC interior walling, ensuring strength, thermal efficiency, and lightweight performance. From sleek exteriors and intelligent layouts to high-spec interiors and thoughtful upgrades, Elddis motorhomes are instantly recognisable for their smart design and bold identity. So whether you’re heading off on a carefully planned cross-country tour or chasing a spontaneous weekend away, your Elddis motorhome is more than just a vehicle — it’s the start of something unforgettable.

HIGH SPEC COMES STANDARD

Every Eddis motorhome comes loaded with impressive features as standard — because we believe quality and convenience shouldn't come at extra cost.

From reversing cameras and USB ports to solar panels and Wi-Fi on select models, we've included the details that matter most to modern tourers.

Looking to make it your own? Our Evolve Pack and upgrade options let you elevate your experience even further.

STANDARD CAR LICENCE FRIENDLY

The majority of Eddis motorhomes are ready to hit the road with your standard UK car licence (Category B) — no extra testing required. That means more choice, more flexibility, and less hassle.

For those who want a little extra capacity, the Autoquest Apex 196+ offers a higher payload at 3650kg — perfect for longer tours or carrying more gear.

But for the rest of the range, it's simply: jump in and go.

SMARTER STORAGE SOLUTIONS

We know storage is vital — and that's why we design with it in mind, not as an afterthought.

You'll find large overhead lockers in lounge and sleeping areas, full-height wardrobes, deep kitchen cupboards, and cleverly hidden under-seat and under-bed spaces — ideal for everything from bedding to walking boots.

EVERY BERTH, EVERY BELT

Every Eddis motorhome is designed with safety in mind — and that includes ensuring every berth has its own seatbelt.

Whether travelling with friends, family, or solo, you'll always have peace of mind knowing everyone on board is protected.

STYLE, COMFORT & DURABILITY

Step inside any 2026 Eddis motorhome and you'll instantly notice the attention to detail.

From the light wood cabinetry to the supportive cushioning and premium soft furnishings, every material has been chosen for both longevity and comfort.

Our trim ranges continue to evolve — offering a refined, modern aesthetic across all line-ups, from Whirlwind GT to Avalon Evolve.

BUILT BETTER: ZIP SYSTEM & HALOTEC WALLS

New for 2026: every Eddis motorhome is constructed with our advanced ZIP System and HaloTEC interior wall technology.

The Eddis ZIP System: A fully bonded, marine-grade aluminium construction method that delivers superior strength, stability, and water ingress protection through a sealed metallic frame and precision engineering.

HaloTEC: Seamless interior walls made from RENOLIT's CORK-STOCK — water-resistant, wipe-clean, and elegant.

Whirlwind GT Evolve

EXCEPTIONALLY CONFIDENT

9 Models | 2 - 6 Berth | Peugeot

For those who want more from every journey, the Whirlwind GT Evolve takes the trusted performance and value of the Whirlwind GT range and enhances it with a suite of premium upgrades. Designed for smarter, more independent travel, the Evolve is ideal for adventurers who demand comfort, convenience, and capability – all year round.

Built on the solid foundation of a Peugeot chassis, and featuring the same lightweight ZIP System construction and HaloTEC thermal walling, the Evolve delivers robust efficiency with a stylish edge. Inside, the light wood interior and darker, durable upholstery create a space that feels both modern and inviting.

Whether you're chasing the sun or braving winter landscapes, the Evolve is ready – fully equipped with solar power, an awning for outdoor living, and a Winter Pack to keep you cosy in colder conditions. Plus, built-in Wi-Fi, security systems, and clever external touches mean you can tour smarter, safer, and stay more connected.

WHIRLWIND GT EVOLVE HIGHLIGHTS

INCLUDES:

- **External Socket** – Power where you need it
- **External BBQ point** – Ready for outdoor cooking
- **Awning** – Extend your living space with ease
- **Solar Panel** – Off-grid ready and energy efficient
- **Winter Pack** – For cold-weather touring comfort
- **Alarm and Tracker** – Enhanced security and peace of mind
- **Cab Blinds** – Added privacy and thermal control
- **Wi-Fi Connectivity** – Stay connected, wherever you are

The Whirlwind GT Evolve takes everything that makes the Whirlwind GT so practical and stylish — and enhances it with a suite of touring essentials.

With added comfort, connectivity, and convenience, it's designed for those who want more from their everyday adventures, without stepping up to a premium price point.

WHIRLWIND GT EVOLVE — THE SMARTER, FEATURE-RICH CHOICE FOR CONFIDENT, EVERYDAY ADVENTURES.

[illegible]

Autoquest APEX

FULLY LOADED

8 Models | 2 - 6 Berth | Automatic as Standard

The Autoquest APEX range is Elddis' fully loaded motorhome series. APEX models boast a high-spec exterior design featuring silver chrome-effect graphics, resin badging, and colour-matched cabs in Grey or Black.

Inside, the light wood tones pair with contemporary cushions and enhanced bedding, giving a refined yet cosy atmosphere. Branded cab features, a stylish monochromatic interior design, and enhanced materials set the APEX apart.

Built using the latest ZIP System and HaloTEC wall materials, and with a new curved rear panel design, the range includes a long list of premium equipment as standard—140BHP Automatic engine, solar panel, dual-fuel hob, external BBQ point, rear view camera, Wi-Fi, alarm, and more.

Designed for those who want luxury as standard.

AUTOQUEST APEX RANGE HIGHLIGHTS:

THE AUTOQUEST APEX IS ELDDIS’ TOP-TIER MOTORHOME RANGE, DELIVERING AN ALL-INCLUSIVE TOURING EXPERIENCE WITH STYLE, COMFORT, AND PERFORMANCE BUILT IN.

Designed for those who don’t want to choose between practicality and premium, APEX models come fully loaded and ready for the road.

From the outside, APEX makes a bold first impression. With chrome-effect silver graphics, resin badging, and colour-matched cabs available in Grey (Standard) or Black (Optional), it looks as sharp as it drives!

Step inside and discover a beautifully balanced interior where warm light wood finishes are complemented by dark silver accents, refined soft furnishings, and enhanced bedding for that hotel-at-home feel. Branded cab styling and upgraded materials throughout the living space reflect the range’s elevated quality.

Engineered with the advanced ZIP System and HaloTEC thermal walling, the APEX range combines strength, weight savings, and all-weather comfort. A new curved rear panel adds to the streamlined design, while every model comes with a powerful 140BHP Automatic engine and a host of premium features – all included as standard.

AUTOQUEST APEX HIGHLIGHTS

- **140BHP Automatic** engine for effortless driving
- Premium **chrome-effect Silver graphics** and **resin badging**
- **Colour-matched cab** in Grey or Black
- **Curved rear panel** design for enhanced style
- **ZIP System** construction and **HaloTEC** thermal walling
- Light wood interior with monochromatic interior design
- **Solar panel** for off-grid energy
- **Dual-Fuel Hob** for flexible cooking
- **External BBQ Point**
- **Wi-Fi connectivity**
- **Rear-View Camera**
- **Alarm System** for peace of mind

Autoquest APEX — for travellers who expect more, and get it as standard.

Avalon

FLAGSHIP MOTORHOME

4 Models | 2 - 4 Berth | Manual Standard | Automatic Option (140 or 180BHP)

The Elddis Avalon range represents the pinnacle of luxury in motorhome design—crafted as the brand's flagship offering.

With a distinctive gold-accented exterior that reflects its elite status, Avalon delivers a premium experience inside and out.

The interior combines light wood tones with contemporary furnishings, including leather-trim seating with quilted backs for added comfort and elegance.

The Avalon is engineered with the new ZIP System and HaloTEC interior walls, ensuring durability and thermal efficiency. A one-piece rear panel and signature quad light cluster enhance the sleek profile.

High-end standard features include Solar Panel, Digital Cluster, Winter Pack, Omnivent and ALDE Central Heating System, with options for Automatic drive, 140 or 180BHP engine, and more.

Avalon redefines the motorhome experience with space, light, and innovation.

AVALON RANGE HIGHLIGHTS:

AVALON LUXURY KEY FEATURES

- **ALDE Central Heating System** – Full-season comfort
- **Digital Driver Cluster** – Sleek, modern dashboard display
- **9” Pioneer Touchscreen Entertainment Unit**
- **Full Cab Kit** – Branded seat covers, mats, and logo detailing
- **Full LED Headlamps** – advanced lighting with style
- **Alloy Wheels** – Premium look and performance
- **USB Ports** – Convenient power access
- **Winter Pack** – Designed for colder climates
- **Sky-View Cab Sunroof with Blinds** – Natural light and ventilation
- **Full-Width Panoramic Front Pod Window** – Enhanced openness
- **One-Piece Rear Panel with Quad Light Cluster** – Sleek rear styling
- **Solar Panel** – Off-grid ready
- **Omnivent** – Effective airflow control

Elddis Avalon — for those who expect nothing less than the extraordinary.

INTERIOR DESIGN

Designed specifically for the recreational vehicle market, ActivCare fabric has been developed to not only provide supreme style and comfort but also to withstand the rigours associated with RV life.

Developed and tested for water tightness, colour fastness, bleach tolerance and other substances, the material is ‘easy clean’ which can be felt when you run your hand over the fabric.

Avalon Evolve

PINNACLE OF LUXURY

4 Models | 2 - 4 Berth | Manual Standard | Automatic Option (140 or 180BHP)

Elddis Avalon Evolve takes everything exceptional about the Avalon range and raises the bar even higher. With added upgrades and exclusive features, Evolve delivers a fully loaded luxury experience — designed for motorhomers who want the best, effortlessly built in.

From the gold-accented bodywork to the beautifully appointed interior, Avalon Evolve surrounds you in refined design and intelligent functionality. Upgraded comfort, enhanced convenience, and refined detail define the Evolve experience.

Whether you're chasing summer sunsets or winter landscapes, Avalon Evolve is prepared — with ALDE heating, digital connectivity, security upgrades, and a powerful 180BHP engine option. Every detail is considered. Every journey, exceptional.

AVALON EVOLVE HIGHLIGHTS:

LUXURY MEETS PRACTICALITY

Meet the Avalon Evolve — where high-end touring meets everyday usability. It’s everything the flagship Avalon already delivers: gold-accented style, full-spec comfort, and cutting-edge construction. But now, with premium extras already built in.

Avalon Evolve includes a host of upgrades, from an efficient solar-power system and advanced heating to enhanced cab styling, multimedia features, and superior seasonal protection. It’s fully equipped for life on the road — without compromise.

If you want all the luxury, with more convenience from the start, Avalon Evolve is your ultimate touring solution.

AVALON EVOLVE KEY FEATURES:

- **Air Conditioning (Cab)** – Essential to keep cool and comfortable during warmer weather.
- **Roof Upgrade** – Enhanced insulation and structure for improved temperature control.
- **Awning Brackets** – Pre-installed to allow for quick and easy fitting of a full awning system.
- **Alarm System** – For added peace of mind and protection of your motorhome and belongings.
- **Tracker System** – GPS-enabled theft deterrent that increases the chance of recovery.
- **Wi-Fi Connectivity** – Stay connected on the go with built-in Wi-Fi hardware.
